

Application Form for Charities and Community Organisations

Digital Wings is a programme of The Digital Wings Trust and proudly supported by RemarkIT Solutions, to redistribute electronic equipment from corporate entities to community organisations to promote digital inclusion, increase efficiency, enhance educational/employment opportunities, and raise awareness about e-waste.

Charities, whānau/hapū/community organisations are invited to apply for refurbished computers to support their goals and outcomes. These would be supplied free of charge. **NB We do not supply private homes.**

All applications welcome and those for rangatahi, youth development and education-to-employment initiatives are encouraged. All computers are refurbished and hold a 12-month hardware-only warranty. To apply please fill in this form and email to info@digitalwings.nz . Ngā patai 0800-DIGI-WINGS
