Further information:

1. *Digital Wings* is a community programme governed by The Digital Wings Trust.

2. *Digital Wings* offers a cost-neutral option for the disposal and redeployment of your technical equipment that saves your organisation time and resources. Once partnered to Digital Wings, simply fill in an online request for pickup and receive all RemarkIT processing reports

3. *Digital Wings* takes all of your decommissioned equipment to cover the costs of security wiping, refurbishment & reissue of equipment as well as disposal of your e-waste. An agreed percentage of i5-i7 viable equipment will be redeployed to charities, rōpū and community organisations free of charge, depending on the quality of equipment being decommissioned by your company

4. For *Digital Wings* to flourish, donations need to include all i5-i7 upgrade kit, and 21"+ monitors, not only low-spec equipment and end-of-life scrap

5. Donors enter into an agreed MOU with RemarkIT Solutions naming *Digital Wings* as the programme which distributes the refurbished hardware and support to charitable organisations

6. Donors can nominate local and specific charities your organisation wishes to support, or we can donate to communities on our waiting list

7. *Digital Wings* contacts recipients after 12 months to report back to donors on community progress so you can see your donation has made a difference to their organisational goals

8. Digital Wings via RemarkIT Solutions take back all computers at end-of-life so you can fulfil your sustainability goals by knowing they stay out of the landfill after they leave your business

9. Digital Wings promotes career options for youth with our Rangatahi Digital Workshop video library which encourages careers in tech, and also Training for Trainers Workshops for charity staff

10. If your business / organisation can offer any additional support to communities in need, please let us know.
